Please cross-check this letter with the information provided in USAfx and any the actual CDs and DVDs that have been provided. **Please note: USAfx is only a delivery system, it is not a storage receptacle. You are allowed to preview and to download. It is important that you download the discovery as soon as possible, because the link is only available for a certain period of time.** If you are unable to download the discovery or are missing any of the above referenced CDs and/or DVDs, please contact the U.S. Attorney's Office as soon as possible. Likewise, if you have any difficulty with viewing any of the discovery items, please contact the office. If you do not contact this office, we will presume that you have received and were able to view/download all of the above referenced discovery.

At this time, the United States anticipates additional discovery materials will be provided as they are received and processed by the U.S. Attorney's Office. Additional discovery material is likely to include, but may not be limited to, transcripts, lab reports, fingerprint reports, longitude/latitude data from GPS warrants, law enforcement reports, and other documents (including but not necessarily limited to any Giglio / Henthorn material) that may be relevant to this matter.

Any physical evidence is available for your inspection by contacting Assistant United States Attorney Stephanie Van Marter to arrange a mutually convenient date and time.

Very truly yours,  
Vanessa R. Waldref  
United States Attorney
